This support group is for:

- men and women
- experiencing loss of a spouse or other family member
- as a result of destructive forces of immigration policies

The principal goal is to pull together as a group to understand and support one another. As well, we may discuss ways of helping influence change in our country. In addition the group may be able to help provide documentation of suffering caused by separation, to those applying for hardship visas.

The group will meet the third Tuesday of every month:

**JUNE 21<sup>st</sup> from 5-7pm at Cook Library on Grandville Ave.**

For questions call (616)430-5751. Children are welcome.
